# Meritor – “the **Braking Experts**”

## A New Commercial Vehicle 'VAN' Range of Brake Pads and Discs from Europe's Leading Manufacturer and Aftermarket Supplier of Axle, Suspension and Braking Systems

### Exclusive to Meritor

- A new aftermarket range of approved disc brake pads together with a premium quality range of brake discs to fit light commercial vehicles
- Unique 'VAN' logo  introduced to highlight the Company's expansion into the 3.5 to 6.0 tonnes commercial vehicle market segment
- The VAN catalogue is multi-lingual and simple to use. It is divided by Vehicle Manufacturer showing both make and model detail with all brake pad and disc information shown graphically (Reference MPN1092)
- With 100 years of experience as one of the world's largest brake designers and manufacturers, ArvinMeritor European Commercial Vehicle Aftermarket have produced a brake pad and disc range to the same exacting standards demanded at OE level and made them available at competitive aftermarket prices
- Developed and manufactured exclusively, the **Meritor 502** and **Meritor 503** friction materials have been formulated utilising the latest technologies, in conjunction with a leading European friction manufacturer
- Each brake pad is UNECE R90 approved by one of Europe's leading testing facilities and carries the UK "E11" designation
- All pads are branded with "Meritor" logo  and marked in accordance with the ECE regulations to ensure full traceability
- All discs are "roll-edged" marked with the Meritor brand name and part number together with traceability coding

## "Meritor is the quality brand for Commercial Vehicles – Parts and Service on which you can rely"
